QUESTIONS TO ASK FOR GREAT
Testimonials

What problem were you facing, before we started working together, that led you to reach out in the first place?

What concerns did you have about working together before we began?

What has been the most helpful part of our work together?

What was it like for you to work with me?

What is the one thing you'd want someone to know about me/my work before working with me?

What kinds of people do you think get the most out of working with me?

If you could suggest changing one thing to make our work together even better for you, what would that be?
